JUNE
BULLETIN

EAST KINGSTON
PUBLIC LIBRARY

Summer Reading Begins!

Every year, libraries all over the country create a giant themed program to keep kids reading through the summer months. Our Summer Reading program will begin on June 14th and end on July 27th. Each year has a different theme; this year's theme is "A Universe of Stories!" in regards to the 50th anniversary of the moon landing in July of 1969! We've gone a little overboard planning this years program, so we hope you can come and enjoy all the things we have to offer!

Welcome Booklet

In the past, new residents moving to town would receive a welcome packet notifying them of the town happenings along with activities in surrounding towns. We've decided to bring the Welcome Booklet back! Only new residents will be given a hard copy of the booklet, but if you'd like to check it out, it is on our website! Check it out at www.eastkingstonlibrary.org

Magic Tree House Book Club

As summer reading begins, we've decided to take a break with our Magic Tree House Book Club for the months of June and July (August has yet to be decided). In September, however, we will be returning with Magic Tree House as well as a book club for the older kids, grades 4-6. If you have any ideas on books you feel would be great for this age, let us know!
