HALLOWEEN PARTY

This year, we're changing things up!

We will be having a themed party to match our costumes! We've got it all planned and will be dropping hints throughout the month, so keep your eyes open. As always, we encourage dressing up as there will be a costume contest! Join us for games, crafts, and of course, snacks! Stay tuned for more information as the day comes closer. October 26 at 10:30am.

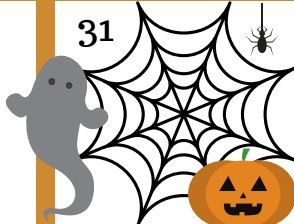

POLLINATOR PATHWAYS

By planting milkweed and other plants, you can help pollinators -- monarchs and bees, for example -- as well as birds and other wildlife. Come to the Pollinator Pathways' Fall seed swap and get some seeds to plant before the ground freezes.

Learn: which seeds besides milkweed require winter cold to germinate which seeds to plant in the fall which type of milkweed is right for you -- the three different species and their water/soil/sun requirements. Bring your questions and any seeds you'd like to share (optional) to the East Kingston Library on October 15 at 7pm

BEYOND THE BOOK PAGE TURNERS

Our new book club for gr. 4-6 kicked off with a bang in September. For the October meeting, we will be reading the first part (to page 116) of the Wings of Fire series, book #1: *The Dragonet Prophecy*. If you'd like to join us, come pick up a copy at the library and sign up! The meeting will be on October 17 at 4pm.
