BLIND BOOK DATES

Our February "Blind Book Dates" are back! Covered in brown paper and tied shut, pick a book based on only a few key words. It's the perfect chance to find something new, without judging a book by the cover or its summary.

DISCOVER DIY: COOKIES WITH KELLI

Our new monthly adult makers program has been a big hit so far, and this month is no exception. On Wednesday, February 13, Kelli, from Cookies by Kelli, will be teaching us all about the art of decorating with royal icing. Participants will be learning how to flood a cookie, as well as detail work. This Friends sponsored event is open for anyone. The cost is \$15 for Friends members and \$20 for non-members. There is also a gluten free option available for an additional fee. Payment is due by Saturday February 9th. Supplies are limited, sign up is required.

FEBRUARY VACATION

February vacation for SAU16 is February 25 - March 1. We have our monthly Makers Meeting on Feb. 23 at 10:30 am. We will be experimenting with 3D printing! Sign up is required for this program. Next, we have Magic Tree House Book Club on Feb. 26 at 3:30pm. We will be discussing book #23: *Twister on Tuesday*. Sign up is also required. On Feb. 27 at 11am, we have ImagArena. This program mixes the spirit of building, art, and video games to create some cool and exciting things! Sign up is required. For the older kids, ages 10 and up, we have a 3D program designed to teach participants about the 3D printer we have and the programs that are affiliated with it. We have limited computers, so sign up is required.

DISCOVER DIY: COOKIE DECORATING

Wed., 2/13, @ 7pm

Ever wondered how to beautifully decorate cookies with royal icing? This is your perfect chance to learn, right in time for Valentine's Day! This is a Friend's sponsored event. \$15 for members, \$20 for non-members. Gluten free option available for an additional fee. **Space is limited, sign up is required.**

MAKERS MEETING

Sat., 2/23 @ 10:30am

We will be bringing back the 3D printing program for this month! We will be learning some basic 3D printing ideas, creating our own masterpieces, and using Perler beads.

Sign up is required.

ImagArena

Wed., 2/27 @ 11am

ImagArena is a total multimedia experience, more akin to a futuristic training simulation than to a traditional building workshop. Kids are guided through rounds by a projected display and a robotic announcer.

Sign up is required.

MAGIC TREE HOUSE BOOK CLUB

TUES., 2/26 @ 3:30pm

We will be discussing book #23, *Twister on Tuesday*.

Sign up is required.

3D PRINTING

Thurs., 2/28 @ 2pm

This program, designed for kids 10 and up, is to teach participants how to use the 3D printer and the programs affiliated with it. Limited spots available.

Sign up required.
