have its most successful fundraiser ever!**

What is Full Circle Coupons?

Full Circle Coupons is an online coupon book with a local mission. We want to help schools and organizations raise much-needed funds while inspiring our community to think and shop locally. Our state-of-the-art site currently showcases nearly 300 local businesses who offer over \$17,000 in coupons. Members simply print out their coupon at home and redeem it to receive their discount. We've got restaurants, fun spots, car shops, paint stores, and even eye doctors – the list goes on and on!

How Does the Fundraiser Work?

We've done our best to make raising money as simple as possible for you. There's no need to lug around books, fill out paperwork, or go door to door. Just follow the instructions below to send out an email to your friends, family, and co-workers. In less than 5 minutes, you'll have reached everyone you know. When they click on the intelligent link within your email and purchase a membership, your child gets credit for it, and \$10 goes directly to The Friends of the East Kingston Public Library.

Getting Started in 4 Simple Steps:

Step 1.

Open your internet browser and visit www.fullcirclecoupons/tools/fundraisers.com

Step 2.

Select **The Friends of the East Kingston Public** in the drop down menu. In the box labeled "My Name," enter your name. In the "My Code" box, enter your code. Your code is your first name, first letter of your last name and grade so if your name is John Doe and you're in grade 7, you'd enter JohnDGR7. (your code is used to track your membership sales so you are eligible for prizes). Then click "Create Link and Personalize Email."

Step 3.

The webpage will refresh itself and you'll see a gray box that contains your personalized email template. You'll now want to login to your email and open a new email inserting all your contacts in the "To" field. Highlight and copy the email template. You'll now want to open a new window to login into your personal email and paste it into your email. Click send! If you are active on Facebook, you can post a status update and include the unique link to encourage friends and family to sign up and support the school.

Step 4.

Don't forget to start your own membership to start saving big at local stores throughout NH's Seacoast and, starting in January, the North Shore of MA. To register just simply click on the unique link created for you in the toolkit.
