## Upcoming Programs

### Come Cook Up Some Cajun Cuisine!

In honor of Mardi Gras, The Friends of the East Kingston Library are hosting a Cajun Cooking Class. Roberta Daly, your talented instructor, will help you create a Fat Tuesday menu, including: Cajun Meatball Appetizers, Black-eyed Pea Salsa, Jambalaya, Bananas Foster, Louisiana Pralines, Creole Sauce, Hurricane Cocktail Punch, and more! Is your mouth watering yet? This Cajun event is on **Thursday, February 23, at 6:00 PM** at the Lloyd's house, 1 Pine Woods, East Kingston. The cost is \$35 and you can sign up at the East Kingston Public Library. Fee is due at the time of sign up and is non-refundable. Limited space - so sign up soon. Hope you can join us for a fun evening!

### Science Magic

Ever wonder how magic tricks really work? This program investigates the science behind the "magic" of several classic magic tricks. You might learn how to snatch a tablecloth without disturbing the items on top, make a balloon fireproof, and use electromagnetism to defy gravity. For the grand finale, our educator will demonstrate how science can make it safe to lie down on a real bed of nails. Come and join us on **Thursday, March 1, 2012, 2:00 Pm to 3:00 PM.**

## Next Kids Movie Night

### Dolphin Tale (Rated PG) - Friday, January 20th, 6:00 PM

Wear your PJs, bring your blanky and pillow, favorite stuffed animal, water to drink - no other drinks allowed, and we will provide popcorn for all. We do ask that if anyone is having trouble sitting and watching the movie quietly that they step out or try again a different time. This way, everyone can hear and enjoy the film. We hope to see you there!

## A Note from the Library Trustees

We are very lucky to have an incredible library in East Kingston, thanks in large part to our phenomenal Library Director, Tracy Waldron. The Trustees are very pleased to FINALLY be able to set Tracy's salary at a fair and equitable level, with respect to the required training, education and experience for this job, and with respect to other town employees as set out in the results of the MRI study done over a year ago. We need your support at the Town Deliberative Session, February 7 at 7:00 pm, to insure that the Library Budget is protected. Thank you for your help!

## Fundraisers

### Affinity Program offered by TD Bank

Want to help The Friends raise money to support the Library? Here's how you can help... TD Bank has created the Affinity Program as a way to support community organizations. If you are a current customer or plan to open an account with TD Bank (receive \$25 when you open a checking account), please contact your branch, give them the code number A3259 (for The Friends) along with your account information. (Please keep in mind that your account information will remain PRIVATE and that this program is at NO COST to you.) TD Bank will make an annual contribution based on the average balance in ALL members' accounts that have been designated for The Friends. (We need a minimum of 50 accounts in order to participate in this program.)

### Full Circle Coupon Program

Like Coupons? Like Saving Money? Check out the great money saving coupons at <https://fullcirclecoupons/tools/fundraisers.com> then purchase a year's subscription for \$25 (with \$10 of this fee going to The Friends). This is better than the entertainment books because local businesses update their coupon offers frequently. Very user friendly too since you search on the site for your coupons and not through a big book. Have fun finding good deals for the things you need and raise funds too! Happy saving.

Pick up a Flyer at the Library for more Information!

**Thank you for your Support!**
